Opportunity

With increase in per capita income there is improving lifestyles and better standard of living in our country. People are becoming more health conscious which is resulting in a growing trend towards well-packed, branded products rather than the loose and unpackaged formats. Further due to rapid urbanization, nuclear family concept & increase in population of higher income groups leads to increase in demand of FMCG products like ready to eat food products, frozen yogurt, packed juices, milk, liquid products, premium chocolates etc. Aluminum Foil is most preferred packaging material for these Pharma & FMCG products due to its excellent barrier properties. Since Pharma & FMCG industry is growing at very fast pace, this is resulting in continuous increase in demand for aluminum foil industry.

Threats

With the growth of Indian Healthcare industry, Pharma industry, Packaging Industry demand in Foil Industry started showing great signs of growth. This sign of growth had lured new entrants to enter in the market. Cheap import from China is again major area of concern. Availability of good quality foil stock & its pricing in local market is also a major area of concern. The Company has to cope-up with these threats through a combination of cost reduction, adopting technological innovations to improve productivity & continuous innovation from the technical team.

RISK AND CONCERNS

Your Company faces risk with similar to those faced by companies operating in the non-ferrous metal sector. Profitability may also be affected on account of competition from existing and prospective manufactures of the same products and cheaper import from China.

SAFETY, HEALTH & WORK ENVIRONMENT

With introduction of Modern Manufacturing Techniques, motivation to small group activities, housekeeping competition etc. helps us to keep track of performances of individual departments. Our company will continue to invest in their employees for better environment in the plant.

Your Company conduct regular monitoring of work environment within the facility & i.e. noise level checks, illumination level checks, work environment air quality monitoring, air emission levels, etc to ensure that best possible work environment is offered to all of employees & to ensure that we do not deviate from our responsibilities towards the society.

ENERGY

The Company has a strong commitment towards energy conservation for the benefit of the nation and itself. Efforts to optimize process parameters modernize & upgrade technology as well as equipment's, with the objective of increasing energy productivity are continuous and ongoing.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company views Internal Control as a tool for improving operational performance and ensuring reliability of reporting mechanism. The Company is equipped with adequate internal control systems for its business operations which determine the efficiency of its operational strengths in financial reporting and ensure compliance with applicable laws and regulations.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

Employees are vital and valuable assets for any organization. They always been part of success stories experienced by organizations. Your Company recognizes people as the primary source of its competitiveness and continues to focus on people development by leveraging technology and developing a continuously learning human resource base to unleash their potential and fulfill their aspirations. It believes in creating a favorable work environment which can lead to innovative ideas. The Company has an optimum process of recruitment and awarding its human resource which leads to attraction and retention of highly qualified and productive individuals in the organization.

CAUTIONARY STATEMENT

Independent Auditor's Report

To the Members of Synthiko Foils Limited

We have audited the accompanying financial statements of Synthiko Foils Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statement

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS.

1.1 SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation

The financial statements have been prepared and presented under the historical cost convention, on accrual basis of accounting in accordance with accounting principles generally accepted in India (“Indian GAAP”) and comply with the Accounting Standards prescribed under section 133 of the Companies Act, 2013 (“Act”), read with Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements comply in all material aspects with the accounting standards notified under Section 211 (3C) of the Companies Act, 1956 (Companies Accounting Standards) Rules, 2006, as amended and other relevant provisions of the Companies Act, 2013.

B. Revenue recognition

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations include sale of goods, other charges, sale of goods is recognized on transfer of significant risks and rewards of ownership which is generally on the dispatch of goods net of excise, VAT and other taxes, if any.

Revenue are recorded at invoice value net of excise duty, sales tax, returns and trade discounts.

Benefits on account of entitlement of export incentives are recognized as and when the right to receive is established.

Interest income is recognized using the time proportionate method, based on rates implicit in the transaction.

C. Fixed Assets

Fixed assets are stated at cost/revalued less accumulated depreciation.

Depreciation on Tangible assets has been provided as per the revised useful life of these assets as per Schedule II of the Companies Act, 2013.

D. Investments

Investments that are readily realizable and are intended to be held for more than one year from the date on which such investments are made, are classified as non-current investments. However, provision for diminution is made to recognize a decline, other than temporary, in the value of the investments, such reduction being determined and made for each investment individually.

E. Inventories

Inventories are valued and certified by the management in respect of quality & value.

Raw materials are valued at lower of cost or net realizable value. Cost is determined on weighted average basis.

Finished goods are valued at cost or market value whichever is lower.

Stores and spares are valued at lower of cost or net realizable value. Cost is determined on weighted average basis.

F. Foreign Currency Transactions

Transactions in foreign currencies entered into by the company are accounted at the exchange rates prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the statement of Profit and Loss.

G. Employee Benefits

Short term employee benefits payable within twelve months of rendering the service are classified as short term employee benefits and they are recognized as an expense in the statement of Profit and Loss account.

Post employment and other long term employee benefits are recognized as an expense in the statement of Profit and Loss account for the year in which the employee has rendered services. The expense is recognized at the present value of the amounts payable as per the management valuation. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the statement of profit and loss.

H. Deferred tax on income

Deferred tax is recognized for all timing differences being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

I. Impairment of Assets

The Company reviews the carrying value of tangible assets for any possible impairment at each balance sheet date. An impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. In

assessing the recoverable amount, the estimated future cash flows are discounted at their present value based on appropriate discount rates.

J. Borrowing cost

All borrowing cost are charged to the Statement of Profit and Loss.

K. Cash and Cash equivalents

Cash and cash equivalents comprise cash on hand, bank balances, demand deposits with banks and other short term highly liquid investments where the original maturity is three months or less.

L. Trade receivable

Trade receivable are stated after writing off debts considered as bad.

M. Provision and contingencies

The company creates a provision when there exists a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made.

N. Earning per share

The basic and diluted earnings per share ("EPS") is computed by dividing the net profit after tax for the year by weighted average number of equity shares outstanding during the period.

O. Other accounting policies

These are considered with generally accepted accounting principles.

1.2 Expenditure on Regulatory Approvals

Expenditure incurred for obtaining regulatory approvals and registration of products for overseas markets is charged to the Statement of Profit and Loss.
